

## Senior Wishes grants wish to local resident

Senior Wishes, the only organization dedicated to bringing the dreams of WNY's low-income seniors to fruition, recently granted a wish to Barbara Drey of West Seneca.

Barbara went on the WXRL Tour to Branson, Missouri in September. "It's a trip I'll never forget. Really fantastic!", wrote Barbara upon her return. "We saw many shows plus other activities. The people were all friendly and helpful."

Established in late 2013 by the United Church Home Society (UCHS), Senior Wishes' mission is to honor and recognize the lifelong contributions of our oldest citizens by granting meaningful wishes that will enhance seniors' lives and bring them joy.

Wish recipients must meet the following requirements: Must be aged 65 and older and a resident of Western New York; U.S. citizen; annual income \$38,000 or less for a household of one or \$44,000 or less for a household of two; cognitively,
